QUALIFICATION AND PREREQUISITES

- We have taken the test out of testing. Every evaluation deserves quality feedback and evaluation by faculty. This is why we call our tests evaluations.
- Intelligent technology automatically delivers evaluations when qualifications are achieved and prerequisites are met.

The screenshot shows a web browser window displaying a Moodle course page. The browser's address bar shows the URL: <http://www.staff.ccr.edu/Moodle/mod/sapevaluations/view.php?id=763>. The page title is "TEMPLATE - SH130-240 (Instructor-S2010)". The breadcrumb trail is "CCR > SH130-Naughle > ev360 SAP Evaluations > ev360 SAP Course Site Evaluations".

The main content area is titled "SAP EVALUATIONS: INSTRUCTIONS - QUALIFICATIONS - PRE-REQUISITES". It contains the following text:

Instructions: SAP Course Site Evaluations are audio evaluations that count towards the skill development component of the college's Standards of Satisfactory Academic Progress. The SAP evaluations available in your course site are: Literary, Jury Charge, and Two-voice Testimony. For further instructions, click the SAP Evaluations [Help](#).

You have Qualified for the following SAP Evaluations:

- Jury Charge: N/A
- Literary: 1 minute at 60 wpm
- Two-voice Testimony: N/A
- Multi-voice Testimony: N/A

You have met the Pre-requisites for the following SAP Evaluations:

- Jury Charge: N/A
- Literary: N/A
- Two-voice Testimony: N/A
- Multi-voice Testimony: N/A

Before you attempt these evaluations, please make sure your computer has the Microsoft Active X audio control installed. This will also allow you to adjust the volume of your audio output (speakers or headset) for an optimum experience.

Click the "Test for Active X Audio Control" button to the below to make sure you have the Microsoft Active X control installed on your computer. Look for the yellow bar above to accept the installation. If you do not need the control or it is successfully installed, you will hear a short audio, which will allow you to adjust your audio output.

At the bottom of the page, there is a button labeled "Test for Microsoft Active X Audio Control".

SELECT THE EVALUATION SPEED, LENGTH, AND EVALUATION NUMBER

- Evaluation lengths are 1 min., 2 min., 3 min., 4 min., and 5 min.
- Intelligent technology determines which evaluations to make available.
- Evaluations cannot be repeated once they have been attempted.
